Save or upload Initialization Data

AXING Application Note

Save Initialization Data

In the section save system initilization data to file you can save the current initilization data from phase 1 to 3 into a file on your computer.
In addition, a PDF can be created with the initialisation settings.

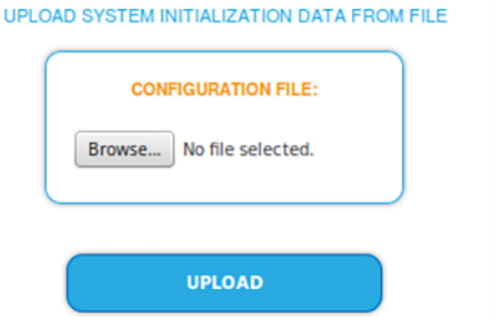

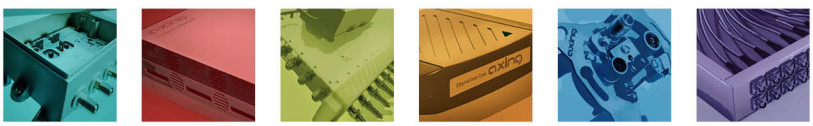

- Click on SAVE,
  the data is offered to you for saving as a config.dat file.
- Click on PDF TO PRINT,
  a PDF is generated and offered as Config.pdf for opening or saving.

Note: Password and IP adress will not be saved.

Upload Initialization Data

In the section upload system initilization data from file you can upload the initiaization data from a file to the modul.
