

OCO 2-00 Optical transmitter LNB set

- ✓ Transmits a satellite signal into an optical signal
- ✓ 1310 nm technology
- ✓ Incl. 12V power supply unit and optical transmitter
- ✓ Terrestrial input
- ✓ Two optical outputs

Order information

Type	OCO 2-00
Order no.	OC000200
GTIN	7611682003062
PE	1
VE	1
EU customs tariff number	85291031

Technical data

Frequency range	10.7...12.75 GHz @ SAT 88...108 MHz @ FM 174...240 MHz @ DAB 470...862 MHz @ DVB-T
Input	
Input level range TERR	67 dBμV...97 dBμV
Recommended DVB-T input level @6 multiplex carriers	70 dBμV
Cross polarisation isolation	typ. 30 dB
Output	
Noise figure	0.5 dB
Number of optical outputs	2
Optical connector	FC/PC
Optical level	6.5...7.5 dBm
Wavelength	1310 nm
General	
Operating voltage	12 ...20 V=
Current consumption	<500 mA
Output voltage for remote supply	11.5V / <80 mA
Operating temperature range (acc. to EN 60065)	-20...+50°C
Mechanical data	
Diameter of feed	40 mm
General	
Weight	1.800 kg

Example of use
